RULES for using fire circles:

- Fires must be in a designated metal fire ring.
- Fires must be extinguished by 10PM, when the Preserve closes.
- Do NOT bring firewood into the Preserve; it will be provided for you. Wood may harbor destructive insects and diseases.
- The use of charcoal or charcoal grills is NOT allowed.
- Please respect the needs of other fire circle users; be conservative in use of firewood and keep noise to a minimum.
- The use of tent or canopy stakes or anything that disturbs the ground is NOT allowed because of the need to protect the archeological integrity of the sites.
- Practice "Carry in, Carry out". Carry out your trash for proper disposal to discourage raccoons and minimize litter in the Preserve.
- Catered events are NOT allowed.
- Amplified sound is NOT allowed; please respect the quiet ambience appreciated by other users.
- Protect the Preserve's natural resources. Please stay on marked trails. Collecting animals, plants, wood, stone, or earth is NOT allowed.
- Keep dogs on leash. Please pick up waste.
- Alcohol is ONLY allowed for university sponsored events with an approved permit. See Alcohol Beverage Service Permit.
