RECONYX

Dogs off-leash but on-camera

(left) 17 dogs (18.9%, n=90) were off-leash at camera 23 (n=1) and camera 1 (n=16)

As in 2016, no dogs were photographed after dark (below, using 24-hour clock).

Dog Statistics

97 of the 2586 people tallied were walking with a dog
