February 5, 2020

Field trips

February's "field trip" will be our second Poetry Slam. Last year's event was held indoors and attracted a number of people who could not or didn't want to walk through the Preserve for a field trip. This year's event will be a virtual event hosted by poet Robin Chapman. All are invited and anyone who wants to present can get a 3-5 minute slot at the event, which will be on February 27 at 3:00 p.m.

Spring Planting Event

Last May's wildflower planting event had to be canceled due to the COVID restrictions. Plans are underway in hopes that we can find a safe way to hold this event this year.

Annual Meeting

Our 2021 Annual Meeting will be held virtually on Wednesday, April 7. Our keynote speaker will be Emily Arthur, Chair of Printmaking in the Art Department. She is also affiliated with the Nelson Institute and American Indian Studies and will talk about her nature-inspired artwork. Save the date on your calendar.

Financial Support for Master Plan

The Friends have recently sent a \$30,000 donation to the Foundation to support the process to produce the Master Plan for the Preserve. We look forward to participating as this work moves forward.
